

REMDI HEALTH SOLUTIONS – SPRAYS \$39

Homeopathic spray remedies are an easy and convenient way to get the homeopathic medicine you need without the fuss and hassle of measuring out pills. Sprays can be used orally, promoting systemic healing, or topically, for use on affected areas. Remedi Health Solutions sprays cover a wide range of ailments; symptoms such as sore muscles, bruising, insect stings, arthritis pain, eczema, allergens, geriatric challenges, and general wellness.

All products contain higher potency Homeopathic active ingredients and are free of conventional drug ingredients. They are taste & odor free and have no known drug interactions. For complete details, see product packaging.

ADRENAL BOOST SPRAY: Helps to diminish the feeling of fatigue and overwhelm while supporting the adrenals. **Why this product?** Achieves results without stimulants. Diminishes powerless feelings and increases healthy energy. Diminishes fatigue. Supports healthier adrenal and thyroid function. For daily oral use.

ALLERGY MOLD, DUST & HAY SPRAY: Quick relief of allergy symptoms due to mold, dust, and hay. Reduces sneezing, itching, dullness, stuffy head, runny eyes, and sinusitis. **Why this product?** Safe for all ages. Natural formula without any over-the-counter drug side effects. Non-addictive. Fast active relief without grogginess. Topical and oral use.

ANTIHISTAMINE SPRAY: For red, hot, stinging, intense, itching allergy symptoms including bites, punctures, and hives with swelling. **Why this product?** Steroid and drug free, fast acting, safe for all ages. Topical and oral use.

ANTI-SEPTIC SPRAY: Promotes speed-healing of cuts and scrapes. Reduces pain and diminishes scars. Contains a natural antiseptic. **Why this product?** Effective, fast, antibiotic-free healing while diminishing initial scarring and pain. May be used topically on the wound or bandage. Use orally for pain and larger wounds to boost healing.

ARTHRITIS RELIEF SPRAY: Helps with pain and discomfort of arthritis symptoms. **Why this product?** Works to increase mobility by diminishing aches, pain, and stiffness without side effects. Replaces stinky rubs. Topical and oral use.

BLISTERING RELIEF SPRAY: FAST pain relief and accelerated healing of blistering outbreaks on lips and genitals; providing peace of mind while offering pain and tingling relief. May help diminish re-occurrences. **Why this product?** Rapid relief of pain and tingling without suppression or side effects of antivirals and Lysine. Oral use is recommended for pain relief and systemic effect. May be used topically on unbroken skin.

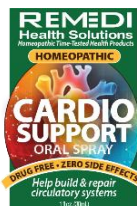

BRAIN AWAKENING SPRAY: Promotes mental clarity to brighten and enhance mental focus. Helpful for clarity and alertness. **Why this product?** Helps to lift mental fog, increases recall of words or ideas. Reduces feelings of cloudiness and diminished focus. Can also be used for dullness following anesthesia or pain medications. Non-addictive, drug free, and safe for all ages. For daily use.

BUG BITE SPRAY: For bites, stings, hives, swelling, pain and itching from bees, wasps, mosquitoes, and other nasty bites. A KIDS FAVORITE! **Why this product?** Works fast for kids and adults to relieve pain and trauma of aggressive bites. May be used orally and topically to speed pain and swelling relief! (We also offer a Spider Bite Relief!)

BURN RELIEF SPRAY: Facilitates pain-relief, and accelerated healing of burns. Diminishes blistering. **FOR ALL TYPES OF BURNS!** **Why this product?** Safe for all ages! Fast acting! Enhances healing action, diminishes chance of infection while minimizing scarring. Continuous use of this product by our clients has been known to help. Topical and oral use.

CARDIO SUPPORT SPRAY: Helps support cardio and vascular functionality. **Why this product?** Continuous use of this product by our clients has been known to help strengthen cardio performance and function. Maintain use of this formula following medical procedures or heart damage to support building strength and stamina. For daily use.

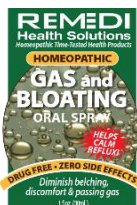

CBD FOG SPRAY: Helps clear the brain fog. Diminishes procrastination and time management challenges. **Why this product?** Non-addictive, drug free. Increases efficiency, productivity and improves time management. Clear the fog! For oral use.

DIMINISH GLUTEN REACTIVITY SPRAY: Helps relieve the symptoms of abdominal pain, discomfort, gas, and bloating, following consumption of gluten and grains. **Why this product?** For temporary relief when gluten cannot be avoided, no matter how hard you try. Very convenient when eating out. Helps with painful colic and irregular stools. For oral use.

FUNGAL & WARTY SPRAY: For warty growths and athlete's foot-like fungus. Helps promote the growth of clean nails and diminishes skin tags. **Why this product?** Helpful for fungal issues without anti-fungal drug side effects or cover ups. Topical and oral use. (Formulas for Jock Itch and Ringworm also available.)

GAS & BLOATING SPRAY: Great for irritated bowels! Diminishes belching, discomfort, and passing of embarrassing gas and odors. **Why this product?** Helps to prevent passing embarrassing gas, odors, and belching. Reliable and safe. Use as needed. Recommended for adults, but safe for all ages. Handy oral spray.

GUM HEALTH SPRAY: For gum redness, swelling, soreness, bleeding, and mouth odors. **Why this product?** Helps diminish bleeding and excessive gaps in gums. No strong odor or taste. No camphor or menthol. Improves dental checkups! For daily oral use. (For plaque build-up, consider using Remedi Health Solutions fluoride free toothpaste.)

HEAVENLY SLEEP SPRAY: This remedy promotes quality sleep and restfulness without knockout drug effects. Brighter in morning with daily use. **Why this product?** Drug Free and non-addictive. Helps to improve quality of sleep. Not a knockout drug. For daily oral use.

HEAVY METAL DETOX SPRAY: This remedy facilitates the cleansing of heavy metals from the body. (We suggest getting a hair analysis done before and after to compare results.) **Why this product?** A less expensive, safe, effective alternative to chelation. May also be used for cleansing from dental work if any toxins remain. For oral use.

HRT MENS SPRAY: Promotes glandular health. Daily support for male function and improved vitality. **Why this product?** Support for prostate health. Facilitates anti-inflammatory action. May also be supportive of overall well-being and vitality. For daily oral use.

HRT WOMENS SPRAY: Promotes hormonal synergy. Daily support for more efficient, smoother cycles, and day-to-day functionality. **Why this product?** Motivates healthy, balanced glands (pituitary, thyroid, adrenals, and ovaries). Hormone free, drug free, with no known side effects. The goal is for a smoother day-to-day hormonal stability. For daily oral use.

IRRITABLE EYE SPRAY: For the temporary relief of red, irritated, itchy, dry eyes, sticky, discharge, eye fatigue, reading and computer strain. For oral use only. **DO NOT SPRAY INTO EYES.** **Why this product?** USE ORALLY for eye strain and to support eye health. Addresses many eye-health challenges naturally. Drug free.

IRRITABLE SKIN SPRAY: For the temporary relief of dry, cracking, miserable skin ailments. Promotes healing and diminishes irritation. Use orally to promote healing of large or inflamed areas associated with conditions such as; psoriasis, eczema, or allergies. May be sprayed topically as needed for additional relief. **Why this product?** Steroid and antibiotic free. Contains NO heavy metals (zinc, aluminum, silver). Topical and oral. (Also available in a gel formula.)

Please consult your healthcare professional before altering and/or beginning any course of treatment including any change in medication.

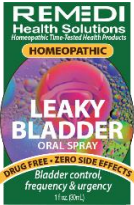

Claims based on traditional homeopathic practice, not accepted medical evidence. Not FDA evaluated.

REMEDY HEALTH SOLUTIONS – SPRAYS \$39

IMMUNE BOOST SPRAY: Helps protect against illness when traveling, visiting hospitals, schools, and daycares. **Why this product?** Use to keep from passing/picking up illnesses in family or public environments. For oral use.

LEAKY BLADDER SPRAY: Support for kidney and bladder function. Helps support bladder control, urgency, and frequency. Daily use is recommended. Helps diminish quantity of leakage. **Why this product?** Diminishes leaky bladder while supporting urinary tract health. Great for men, women, and children. (Please note: Issues such as bed wetting are often not associated with bladder issues, per se. Please seek medical attention for this or any other unrelated condition.) For daily oral use.

MINERAL ABSORPTION SPRAY: Facilitates the absorption of 16 essential minerals from your food. Helps to minimize leg cramps. **Why this product?** This product helps to promote the absorption of essential minerals such as iron, selenium, and calcium, among others. You can consume a supplement but not be certain that it gets absorbed or used by the body efficiently. For daily oral use.

OSTEO CHALLENGES SPRAY: Support for healthy bones and teeth. **Why this product?** This remedy supports healthy and normal bone growth. Calcium and supplements alone can be ineffective at building and supporting bone (and teeth) health. For daily oral use.

SUNBURN RELIEF SPRAY: For the temporary relief of pain, blistering, and scarring associated with sunburn. **FAST RELIEF! VACATION SAVER!** **Why this product?** Diminishes peeling, stinging, burning pain, and blistering associated with sunburn. Topical and oral use.

SUPPORT BLOOD SUGAR SPRAY: Diminishes sugar cravings. Helpful for supporting blood sugar levels and overall digestion. Can also be helpful for weight control. **Why this product?** Regular use helps to promote diminished sugar cravings and supports healthier blood sugar levels. Supportive for disordered appetite challenges. For daily oral use.

SPORTS INJURY SPRAY: For pain relief and rapid healing before and after surgery, dentistry, and sports injuries. **Why this product?** Speed-healing and pain relief from sports injuries or surgeries, minimizing or eliminating the need for pain medication. Use before and after PT or body work, as well. Accelerates healing time. Topical and oral use.

REMEDY HEALTH SOLUTIONS – GELS/TOPICAL CREAMS \$20

Homeopathic gels/topical creams are a great and natural way to get the relief you seek, without the chemical or drug interactions or side effects. Remedies are safe, non-toxic, perfume and odor free, and do not contain negative drug traits. They are also non-habit forming. Many people find them to be fast acting and help to accelerate the healing process. Our gels/topical creams are made with higher-potency Homeopathic active ingredients; are in a natural base and are free of conventional drug ingredients.

ANTI-SEPTIC GEL: Speeds healing of cuts, scrapes, and pain. Contains a natural antiseptic. **Why this product?** Fast, ANTIBIOTIC-FREE healing with minimal scarring.

BUG BITE GEL: For the temporary relief of pain and itching from; bee and wasp stings, mosquito bites, hives, and swelling. **KIDS FAVORITE!** **Why this product?** Works fast for kids and adults to relieve pain, swelling, itching and trauma of aggressive bites. (We also offer a Spider Bite Relief formula)

IRRITABLE SKIN GEL: Relief for dry, cracking, and miserable skin. Use to promote temporary relief and healing of psoriasis and eczema. **Why this product?** Steroid and antibiotic free. Contains NO heavy metals (zinc, aluminum, and silver).

ARTHRITIS BONE & JOINT GEL: For pain and discomfort from arthritis symptoms. **Why this product?** Replaces stinky rubs. Works to diminish aches, pain, and stiffness without side effects, increasing mobility.

BURN RELIEF GEL: For pain relief and accelerated healing of burns. Diminishes blistering & scars. **FOR ALL TYPES OF BURNS!** **Why this product?** Promotes healing at a rapid rate of speed, diminishing pain and the potential of infection from blistering. (Also available in spray for large areas.)

JOCK ITCH RELIEF GEL: Relief for raw, red, itchy, heat and perspiration aggravated skin. **Why this product?** Drug and steroid-free relief of heat and fungal-type rashes aggravated in hot, moist locations. (Also available in a spray.)

ARNICA GEL: For the temporary relief of sore muscles, sprains, bruising and injuries. Reduces pain and swelling from trauma. **Why this product?** Provides quick-acting relief for sore muscles, sprains, and bruising. (For deeper conditions beyond soft tissue, look for our Sports Injury gel or spray.)

CALENDULA GEL: Promotes healing of wounds, chafing, acne, sores, lip burns, and injuries. Reduces scarring. **Why this product?** High potency. Fast acting topical Calendula gel! A natural effective antiseptic which diminishes scarring and speeds healing. Also minimizes painful sores, burns and injuries. (Also available in a spray.)

SPIDER BITE RELIEF GEL: For pain relief and healing of skin affected by spider bites. **Why this product?** Helps to promote difficult-to-heal areas around bites while providing pain relief. **ANTIBIOTIC AND STEROID FREE.** This is a great product!

BLISTERING RELIEF GEL: For temporary relief of pain and tingling of blistering outbreaks around mouth, lips, and genitals. Promotes healing. **Why this product?** Rapid pain relief without suppression or side effects of antivirals and Lysine. May be used topically on unbroken skin. May diminish re-occurrences. (Also available in a spray.)

FUNGAL & WARTY GEL: For warty growths and athlete's foot conditions; fungus, distorted nails skin tags, cracking skin. **Why this product?** Provides relief without the side effects of other anti-fungal drugs. For best results, use without other topical anti-fungals. (Also available in a spray. Try our Jock Itch Spray for hot, moist skin irritations.)

SPORTS INJURY GEL: Relief of pain and inflammation due to muscle, tendon, and ligament strain; puncture wounds, nerve and bone injuries, including surgery, P.T., strength training, sports injuries and dental work. **Why this product?** Fast pain relief minimizing the necessity for pain medication. Use before and after bodywork, or surgeries. Helps to promote healing. Nonaddictive and drug free.

Please consult your healthcare professional before altering and/or beginning any course of treatment including any change in medication.
